GERMANY TAKES CZECH NATION

MUNICH TREATY IS ALSO 'SCRAP PAPER'

Praha, Bohemia, March 15—Adolf Hitler took possession of Bohemia and Moravia Wednesday, personally following his gray-clad Nazi troops into Praha itself with a suddenness that surprised an already bewildered Czech population.

He symbolized his lightning conquest by sleeping in historic Hradcany Castle, burial vault of makers of Bohemian history, and more recently the residence of Czecho-Slovak Republic President.

Without the customary fanfare, the victorious Fuehrer entered the city quietly at 7 p. m. following hours behind columns of his troops who were hissed and booed by sullen, tearful Czechs—their twenty years of independence now only a memory.

As the Fuehrer entered Praha the Prussian military already had set up a temporary military and civil government to rule Bohemia and Moravia as protectorates of the greater German Reich, in which they are to be simply cultural islands.

Within an hour of Hitler's arrival his standard was raised over the old castle, towering above the city, in which he slept Wednesday night.

There were no cheers, no plaudits, no garlands for the master of greater Germany as there were when he entered Austria one year ago and the Sudetenland last October.

Hitler thus carried through what he the great Iron Chancellor, Bismarck, shrank from doing—taking command of Southern Bohemia.

Troops Hissed and Booed.
His third Reich troops received the coldest greeting they have had in any

of the territories into which they have gone to fulfill the idea of a greater Germany.

Praha residents, without fear and contrary to repeated appeals made by loudspeaker set up in the capital's principal streets, loudly hissed and booed the troops. They threw snowballs at armored cars as they rolled into the city.

A platoon of Czech police kept the crowds in St. Wenceslas Square from springing at three armored cars and their embarrassed operators.

World War Legionnaires who fought for Czech independence under the leadership of the late Thomas Masaryk and his aide, Eduard Benes, wept without shame, and so did their women.

Cries of "Pfu! Pfu!—Go back home" were heard.

German residents, however, provided some cheering for the conquerors.

The Czechs did not know exactly what sort of government they were to have, but they were conscious that Hitler's troops had occupied the whole of their cherished Bohemia and Moravia.

Dry Election Is Forecast Here

BRITISH CALL HOME AMBASSADOR TO BERLIN

London, March 17.—Great Britain today recalled her ambassador from Germany, condemned Chancellor Adolf Hitler's "lawless and sinister" destruction of Czechoslovakia and started organizing a "stop Hitler" movement aimed at halting the march of Nazi armies across the face of Europe.

Prime Minister Neville Chamberlain in a speech in his native city of Birmingham, both assailed and warned Hitler who, he said had "taken the law into his own hands" by carving apart war-born Czechoslovakia.

His warnings against Nazi attempt to dominate the world by force was translated into German and sent by radio across the German frontiers.

Slams Door on Nazis

Chamberlain appeared to have slammed the door on any further "appeasement" dickering with Hitler by announcing that Britain no longer can rely on the reichsfuehrer's promises now that he has torn up the Munich pact and embarked on a process of conquest "that is likely to be speeded up."

"Acts of violence bring with them sooner or later their own reward," Chamberlain said. "I venture to prophesy that in the end she (Germany) will bitterly regret what her government has done."

Chamberlain then invited the smaller nations of Europe, almost every one of which was alarmed lest the Nazi drive strike across their own borders next, to join Britain in throwing up a barricade against Hitler's "drang nach Osten."

The question of whether Hitler has set out to dominate the world by force must occupy not only Germany's neighbors "but others, perhaps even beyond the confines of Europe," he said.

Never before had the British Government turned so bitterly upon Hitler.

Ambassador Recalled

Ambassador Sir Neville Henderson was summoned home from Berlin a few hours before the Washington government formally condemned Chancellor Adolf Hitler's destruction of Czechoslovakia as "wanton lawlessness and arbitrary force."

In Berlin, informed Nazis said it was "virtually certain" that Hitler would retaliate by calling home his ambassador to London, Dr. Herbert von Dirksen.

Members of the Birmingham Union Association, in the prime minister's home city, wildly cheered Chamberlain's warning to the Fuehrer.

GIRL SCOUTS GET CERTIFICATES

The Girl Scouts of Troup 1 held their regular meeting Friday in their club room at the Ada Henderson building. Ten Scouts were present and all took an active part in a general review of Tenderfoot Scout work. After the review and discussion, Mrs. Nancy Lea Vaughan presented each one with a Scout pin and membership certificate.

The Scouts are enjoying their work thoroughly and report they are each trying to "do a good deed daily." It is expected the Scouts will soon have a "Scout hut" all by themselves and although the girls enjoy their present meeting place, a place especially for girls Scouts will be more appropriate for them.

A special guest of the Scouts on this occasion was Miss Irma Porter, and the group hopes to have her visit them again soon.

Case Continued

Case of N. J. Kelley, indicted on 32 charges of making false affidavits to oil leases has been continued on application of the defendant.

WASHINGTON DENOUNCES HITLER'S CZECH GRAB

Washington, March 17.—In language seldom used in diplomacy, the state department today denounced Adolf Hitler's coup in Czechoslovakia as wanton and lawless, while from Capitol Hill Senator Pittman, democrat, Nevada, an administration leader, called on the United States to hurry preparations for "potential political and physical action" in its own defense.

With the approval of President Roosevelt, Sumner Welles, under-secretary of state, issued a statement declaring that "acts of wanton lawlessness and of arbitrary force are threatening world peace and the very structure of modern civilization."

Foresee Czech Freedom

He condemned "the acts which have resulted in the temporary extinguishment of the liberties of a free and independent people." The word "temporary" caught the attention of the capital. Unofficially, the word was said to mean that the United States government does not believe the Czech people can be kept indefinitely in the German reich but that the day will come when they will seek to free themselves, possibly with outside assistance.

Welles spoke shortly after President Roosevelt, at a press conference cited European events as showing the need for alterations in the American neutrality act. This recalled frequent indications that administration desires greater freedom of action than is possible under the present law, which calls for embargoes on shipments of war materials to both sides of any foreign war.

MRS. FRANK ZELLNER BURIED AT SALEM

Mrs. Frank Zellner, 75 year old pioneer resident of Milam county died Monday morning, February 13, at the home of her daughter, Mrs. Harland Russell of Port Neches.

Mrs. Zellner is survived by four children, Dr. Ed Zellner of Cameron, Clarence Zellner of Alice, Earl Zellner of Belton and Mrs. Harland Russell of Port Neches.

Funeral services were held at the Methodist church at Salem, with Rev. Smith, pastor of the Rogers Methodist church and Rev. Aln Reed, pastor of the Minerva Methodist church officiating. Interment was made in Salem cemetery. Skinner's Funeral Home of Rogers was in charge of arrangements.

Pall bearers were Bob McElroy of Rogers, Hansford Berry of Rogers, Jerry Nabours and Goodhue Rogers of Salem, W. T. Whatley, W. H. Stafford and Dr. James Watson of Cameron.

Mrs. Zellner was born in Willis, Texas, on February 29, 1864. Before her marriage to F. E. Zellner she was Miss Minnie Bass and was for many years employed in the Cameron post office. In their early married life Mr. and Mrs. Zellner lived near the Salem community and in 1910 they moved to Rogers where they lived until 1932 when they moved with their daughter, Mrs. Harland Russell, to Port Neches. Mr. Zellner died May 29, 1934. Mrs. Zellner had been in declining health for the past seven years.

Mission Meeting at Gause on March 20

It was announced here this week by Manuel B. Martley, pastor of the Church of Christ here that this church would begin a mission study meeting in Gause on Monday, March 20 at 7:15 p. m.

The meeting will continue for a week or more and will be under the direction of the Cameron church. Rev. Hartley will do the preaching.

John Martin Gets Appointment

John Martin, son of Mr. and Mrs. J. C. Martin, has just received the notice of appointment to a fellowship in the Rensselaer Technological School, Troy, New York. This fellowship carries with it the financial value of \$850 and is an exceedingly high honor which has come to John.

John is a graduate of Yoe High School of the class of '35 and will graduate this year from Rice Institute. He has been an honor student throughout his four years of college work and is truly a credit to himself, his parents, his school, and his city.

U. I. L. MEET BEGINS FRIDAY

The Milam County Interscholastic League will open its meet on Friday at 7:30 p. m. at which time chorale singing under the direction of T. N. Wood of San Gabriel, will be held at the Yoe High School Auditorium.

On Saturday beginning at 9 a. m. girls' volleyball, tennis, and junior boys' and girls' playground ball will be held. Senior boys' tennis, singles and doubles, will be played in Rockdale.

The other events of the meet will be held on Friday and Saturday, March 24 and 25. Literary events, including declamation, spelling, picture memory, writing, music memory, debating, etc., will be held on Friday. On Saturday all athletic events not completed the previous Saturday, will be continued. Other contests to be sponsored on Saturday include typing, shorthand, junior and senior track and the one-act play.

The Interscholastic Meet annually attracts many schools over the county whose students enter in the different events and in a sportsman-like way compete for recognition of their school. The meet is sponsored by the Milam County Teachers' Association and is one of the events that teachers and students alike look forward to.

E. A. Perrin Addresses Rotarians

The Cameron Rotary Club had as their guests at the Wednesday luncheon, E. A. Perrin, superintendent of Yoe High School and members of the Cameron Board of Education.

Mr. Perrin in his address to the club made mention of the progress and accomplishments of Cameron's public school system which is one of the best in this section. He praised members of the School Board for their efforts to make possible the splendid educational system.

The club was happy to have Oleman Gaddy of Lake Charles, La., as a guest for the meeting.

Petition to be Canvassed March 24th

The Commissioners' Court will meet in special session next Friday to canvass a petition presented by Mrs. J. R. McQuary asking for a prohibition election which Mrs. McQuary hopes to have called for Saturday, April 1.

At a meeting of the court in January Mrs. McQuary presented the same petition which she later withdrew as the court prepared to canvass the signers to ascertain whether or not a sufficient number were qualified voters to warrant the calling of an election, stating as her only reason for doing so was that she hoped to save the tax payers some money by having the election called for April 1, the same date school trustees are elected.

R. P. McCLENDON BURIED TUESDAY

R. P. McCleendon, 69 year old resident of Ben Arnold died at a local hospital on Monday, February 13, at 7 p. m. following a severe case of pneumonia.

Funeral services for Mr. McCleendon were conducted from the Ben Arnold Methodist church on Tuesday afternoon at 4:30 with Rev. Day of Waller and Rev. Stewart, pastor, delivering the funeral sermons. Interment was made in Ben Arnold cemetery with Green Funeral home in charge of arrangements.

Deceased is survived by his wife and five sons as follows: H. P. McCleendon of Fort Worth, Marvin W. McCleendon of Beaumont, R. Earl McCleendon of Huntsville, J. W. McCleendon of Fort Worth and H. B. McCleendon of Longview.

Mr. McCleendon was born in Georgia on May 21, 1869. He died only a few months before his 70th birthday. He had been a resident of Ben Arnold since 1911, where he engaged in farming and was a prominent citizen of that community.

Dallasites to Visit Cameron April 24th

It was announced here this week by officials of the Cameron Chamber of Commerce that Cameron would be included in the itinerary of the 38th annual Dallas Business Tour as one of the twenty-nine cities in four states to be visited. F. Z. Williams, general chairman of the tour committee, announced that the schedule calls for the Dallasites to visit Cameron on Monday, April 24.

Sixty-four leading business executives will make the good-will tour, renewing Dallas' ties of friendship with sister cities of the Southwest. The business men will make the five days tour in a deluxe special train, accompanied by 25 piece band and a group of the Southwest's leading radio entertainers. An unusual entertainment program will be offered in each city on the itinerary.

The tour will take them through

Central, South and East Texas and into Louisiana, Arkansas and Oklahoma.

Several of the tour officials, including Mr. Williams, plan to visit Cameron and other cities on the itinerary about April 1st, to complete advance arrangements for the good-will tour.

The annual Dallas Business Tour was started in 1900, and has been repeated every year since then except for one year during the World War when railroad equipment was not available. The tour is sponsored by the Dallas Chamber of Commerce and the Dallas Manufacturers and Wholesale Association, and its personal leading manufacturers and wholesalers, bankers, insurance companies, home executives, hotel men, representatives of civic organizations, and others.

Along Commercial Row

Felix Matula of the Matula Cash Grocery announced today that arrangements had been made for a free poultry school to be held at National Hall, Cameron, on Wednesday, March 22, at 1:30 p. m. Poultry experts from the Houston Milling Company will be on hand to give educational talks on modern poultry production and answer questions on the problems of poultry raising. The school is absolutely free and the public is cordially invited to attend. Matula's Cash Grocery and feed store are dealers here for products of the Houston Milling Co.

Shoppers who contemplate buying a new spring outfit will find everything they need to complete an attractive wardrobe at Cheeves Bros. Store who are coming out this week with a large display advertisement showing classy new accessories at prices to fit everybody's pocketbook. The large ad in this issue of the Herald gives the latest in ladies, millinery, spring dresses, children's dresses, costume jewelry and many other things spring wardrobe buyers will want to take advantage of.

This Week's special along Commercial Row is the announcement by the Fairmont Creamery Company that customers who buy one hundred White Rock baby chicks, will be given free fifty pounds of Gold Nugget Chick Starter. With any other breed of baby chicks, the Creamery will give absolutely free a twenty-five pound sack of baby chick starter. The Fairmont Creamery handles high grade baby chicks, the type that good customers demand.

Hudson Woods announces in an advertisement to readers this week that he will be in the market for all the pure Blackeye peas farmers of this section will raise. Mr. Woods says he believes the marketing price for peas will be better this year than in a long time as there is a shortage of stock on hand in the west. He also will take other varieties of peas including Brown Crowders, White Cream and Clay. Mr. Woods advises

HENRY MOORE DIES HERE THURSDAY

Henry Moore, 63 year old resident of Cameron, died at the home of his brother, George T. Moore on Thursday morning at 8 o'clock. The body was taken to Houston by the Boulevard Undertaking Company for funeral services and burial.

Mr. Moore was a member of a prominent Cameron family and was for a number of years city tax assessor and collector.

He is survived by his wife and one daughter, Mildred of Houston; two sisters, Miss Mollie Moore of Cameron and Mrs. J. B. Poteet of Dallas; and one brother, George T. Moore of Cameron.

MRS. TRENT NEWTON BURIED IN BRYAN

Mrs. Trent Newton, 49 year old resident of this city, died at the Cameron hospital shortly afternoon, Wednesday, March 15, after a prolonged illness. Mrs. Newton had been suffering from a heart ailment following a serious illness last spring. A few weeks ago she was taken to the hospital where her condition remained unchanged.

Funeral services for deceased were conducted from the funeral chapel of the Phillips and Luckey Funeral Home in Rockdale and the body was taken to Bryan for burial.

Mrs. Newton is survived by two children, Mrs. Carrol Cox, of Buda, and Trent Newton of Beaumont; her father, M. C. Sterling of Patterson; two brothers, Tom and Nathe Sterling of Beaumont; and a grand daughter and grand son.

that peas be planted not later than the 1st of May and he says it is better to plant them earlier in order to market them in July and August.

F. A. Marak of the Exchange Furniture Company this week announces a special March furniture sale. In this issue of the Herald he gives the readers a few of the real bargains to be found in this up to date store. Mr. Marak carries a complete stock of new and used furniture and cordially invites the public to come in and see the many bargains that are to be found in this store.

Society News

Guests of Mr. and Mrs. Hugo Boedeker of Buckholts on Sunday were Mr. and Mrs. Joe Hampe and daughter, Rose Marie and Mrs. Hampe of Houston, Mr. and Mrs. Rudolph Marak of Cameron, Mr. and Mrs. Joe Lehner of St. Louis and Mr. and Mrs. Raymond Hampe and children, Raymond, Jr., Mary Ann, Victor, Helen and Albert of McGregor. Mrs. Boedeker served a lovely dinner, the honorees being her mother, Mrs. Hampe and Mrs. Marak who recently celebrated their birthdays.

One of the loveliest gifts celebrating the second birthday of Alpha Eta Chapter of Beta Sigma Phi was that of Mrs. R. L. Batte, the mother of the newly elected president, when she gave her splendid review of the best-seller, "All This and Heaven Too" written by Rachel Field, in the presence of members and about fifty friends of the sorority Saturday evening at the Methodist Church. Calendulas, yellow gladiolas, and jonquils carried out the sorority theme of black and gold, and Mrs. Batte wore a corsage of yellow gladiolas tied with black. After the excellent review of this popular book, given in Mrs. Batte's own charming style, she was presented by the sorority with a lovely white linen and lace handkerchief as a token of gratitude and appreciation. Dell Horstmann and Dorothy Kidd invited guests into the dining room, where a light buffet supper, with centerpieces and re-

freshments carrying out the chosen theme of black and gold, was served.

On the afternoon of March 8, Miss Dorothy Kidd and Miss Ethel Skelton were hostesses to the Cameron Symphony Club which assembled at the home of Mr. and Mrs. O. L. Kidd. Mrs. Pope Sapp presided over the business meeting. Miss Frances Sharpe led the program with a discussion of the life of the operatic composer, Guonod, with special emphasis upon his opera Faust. Mrs. Francis Cox, Miss Harriett Atkinson and Miss Lillian Michalka entertained the group with piano selections and Mrs. Vernon Collins with a vocal selection. At the close of the program refreshments were served by the hostess.

On March 12, Mr. and Mrs. Sterling Robertson and children of Salado accompanied by their cousin, Miss Harrell Dove of Melrose, Mass., came to Cameron and were joined by Mr. and Mrs. R. H. McIntosh, Mrs. Sarah Weaver of Mineola, Mrs. B. J. Baskin and Mrs. George C. Clement on a pilgrimage to the site of Old Nashville. Mr. Robertson's great grandfather, Sterling Clack Robertson, was the founder of the Nashville colony and his nephew, George C. Childress, grandfather of Miss Dove was its most brilliant member. It was from his home in Nashville that Childress went to the Convention at Washington on the Brazos to repre-

sent Viesca carrying with him the rough draft of the Texas Declaration of Independence which he later completed and which was adopted March 2, 1836 as written without a single change. Miss Dove came from her home in Massachusetts to honor her illustrious grandfather and on March 2, at Washington on the Brazos unveiled the magnificent statue of him erected by the State of Texas. Miss Dove will visit in San Antonio and Galveston before returning to her home. While at Nashville Miss Dove and Mr. Robertson planted a lavender bush in honor of their ancestor amid the many shrubs that have been gifts from different sections in observance of many occasions. After a picnic lunch the party returned to Cameron by a route which took them by the site of the extinct town of Sterling in Robertson county.

Closing its 1938-39 season of cultural offerings to Central Texas, Sigma Tau Delta announces as its last attraction the greatest of them all—Marian Anderson, the most outstanding singer in the world today.

Everyone knew and loved Madame Schumann-Heink, her soulful songs and her complete humanness. One critic says that Marian Anderson is to the present generation what Madame Schumann-Heink was to the period a few years back.

Having started her singing career at the age of six in the "Little Baptist church down the street" in Philadelphia, Marian Anderson at the unparalleled age of 17 had won a contest in Lewisohn Stadium, New York, and was singing with the Philadelphia Symphony Orchestra.

Her first real recognition came in Europe, where she toured several times. It was Marian Anderson who was the third person in history to draw a capacity crowd at the "Great Hall" of the Paris Opera. The first two were Kreisler and Rachmaninoff.

America then woke up to its "rose which blushed unseen"—at least, unseen by Americans—in foreign countries, and demanded her at home. As a result, Marian Anderson is now on her fourth transcontinental tour, having set a record on her last tour of singing 70 concerts in four months traveling 26,000 miles to do it. South America, too, voiced its praise, and in Buenos Aires, a cheering populace, extracted 12 concerts before they would let her go on to her next destination.

Sigma Tau Delta, accustomed to pulling hard for every ticket sold, is happy over the fact that so many people are coming from surrounding cities. Word has reached Waco that six auto loads are coming from Marshall, several cars from Tyler, Mexia, Temple, Belton, Hillsboro and even Dallas, where the Anderson concert is under the sponsorship of the Civic Music Association, which is not open to the general public. The Waco concert is open to everyone, and tickets may be had by mailing a check with a self addressed, stamped envelope to Dr. A. J. Armstrong, Science Hall, Baylor University.

Mrs. George C. Clement made a trip to Rockdale on Monday.

P. T. A.

The Ad Hall PTA held its regular meeting on Tuesday night, March 7, at the school house. An entertaining program on Safety Habits was presented by the pupils of Mrs. C. T. Bridgewater. Thirty members were present. After the meeting coffee and cookies were served.

Mrs. Bridgewater, chairman of the membership committee, reported that nine new members had joined the PTA. On Thursday night a sausage supper and a play were given at the school. A large crowd was present and both the play and the supper were quite a success.

CARD OF THANKS

It is sometimes difficult to express in words the sincere appreciation and gratitude we feel toward those who have been so kind to us during a great bereavement. We hope this will adequately tell how much we

thank those who were so kind and who assisted us during the illness and at the death of our baby son, William Cullen Pope.

We desire especially to thank the Cameron Hospital, Dr. Leland Denison and Dr. Rischar for their efforts in behalf of our child. We shall hold in grateful memory all the expressions of sympathy and we sincerely thank those who sent floral offerings.

Mr. and Mrs. H. C. Pope.

Mr. and Mrs. Sam Graham.

CARD OF THANKS

We wish to take this means of expressing our heartfelt thanks and appreciation to our many friends and neighbors who were so kind and sympathetic toward us in any way, in the loss of our father.

We sincerely appreciate each expression of sympathy and are grate-

ful for the beautiful floral offerings. May God bless you all.

The George Lock Children and families.

Miss Rosalee Janicek of Marak spent Friday night with Mrs. Rudolph Marak and attended the seventh annual invitation track meet at Yoe High School on Saturday.

Eugene Janicek was among the many who attended the Fat Stock Show in Fort Worth during the week end. Eugene reports a very enjoyable time and said the show was of great educational benefit.

Mrs. Trent Newton is seriously ill at the Cameron hospital, but is thought to be improving some.

Mr. and Mrs. Boyd Wells of Austin spent Sunday with Mrs. Wells' mother, Mrs. T. S. Henderson.

1/2 MILLION IN TEXAS

Through this telephone, and half a million others like it in Texas homes and offices, Texans talk about oil and cotton and livestock... about who will make a fourth at bridge, and what the doctor said to Henry.

To clear the way for these calls, 8,700 telephone people work along the lines, or in the 314 offices that are the crossroads of the company's 2 1/2 million mile network of telephone wires in Texas.

SOUTHWESTERN BELL TELEPHONE CO.

See the Bell System exhibit if you visit the Golden Gate International Exposition, San Francisco.

More than 10 million dollars in wages, nearly 5 million dollars in federal, state, and local taxes, help make up the total of over 24 1/2 million dollars this company spent last year to operate its Texas telephone system.

These figures are big because the telephone company has a big job to do in Texas: The job of giving fast, dependable telephone service at low cost to the user.

BOULDER DAM

The world's highest, Boulder Dam rises 727 ft. above bed-rock in the Black Canyon of the Colorado River, measures 1,282 ft. along its crest, 45 ft. thick at the top, 660 ft. at the bottom, took 5,500,000 barrels of cement to build, impounds the world's largest man-made lake, from which over 500,000,000 gallons of water daily are pumped, piped and syphoned over 300 miles of desert and mountains to provide Southern California with water for drinking and irrigation, flood control and electric energy—an engineering triumph beyond imagination.

Announcing Our Platform.

True to my promise, I devoted our Sunday program on May 1 to an outline of the platform on which the people's candidate would make the race for Governor. Since it has considerable importance to our whole program in office, I repeat it in full here:

Good morning, friends. This is W. Lee O'Daniel speaking. Last Sunday I told you I would talk today about our platform. And I intend to be as democratic in regard to the platform as I was in regard to finding out whether you wanted me as your candidate. Therefore, I invite you folks in every walk of life to submit to me your ideas what planks you think should be in your platform. Whoever heard of a candidate asking the common citizens to help build his platform? But that's what I'm doing.

I have only a few planks to offer myself, and they are not really of my composition, but they are about the only planks left that the other candidates did not select. They are known as the Ten Commandments. We will start out with them, but leave enough space to add other planks that you folks may suggest—in case you believe that the mighty problems facing mankind today cannot be solved by standing on that platform built so long ago. But I tell you the Ten Commandments are a good platform, if we will all stand on it.

Drafted by Common Folk.

In running this race for Governor, there can be no mistake about whose candidate I am. More letters have poured in and now more than 56,000 common folks of Texas have drafted me. We have proof in the letters and cards received. Therefore, as a candidate for the common people, I shall not dodge the issues.

We may as well be open and frank about all matters and bring the skeletons out of the closets. This is supposed to be a free country. Politicians and statesmen rave about this land of the free and this home of the brave. They talk about liberty of all kinds, political liberty, religious liberty, but the very first step in this free, liberty farce is that in Texas you have to walk down and pay \$1.75 before you can vote. That one master stroke of statesmanship built a fence between the rich and the poor that eliminates thousands of good citizens from their God-given right to vote for the man they want in office. Do you want that fence torn down? Do you want the poll-tax fee eliminated?

I am asking you this in your campaign. Wake up and get into it. The big shots say it is only a little, unimportant matter. But I say to you that when it means the choice between a poll-tax receipt and corn bread for a hungry family, the appetite wins. And if it is such a little thing, let's do away with it. For

the want of a nail the shoe was lost; for the want of a shoe the horse was lost; for the want of horse the rider was lost; and for the want of a rider, the battle was lost.

Adjustment of Taxes.

The next big important matter that must be adjusted is taxes. Our state is moaning and groaning under a tax burden which is shutting down factories and other places of business, laying off men by the thousands. And yet the political brand of public servants you have been electing seem to think of only one thing and that is to devise new forms of taxation, or to raise the amount of tax on some plan that is working smoothly.

Very few fair-minded citizens object to paying their just share of the legitimate operating expense of their state. But the trouble is the inequalities in taxation. It is well-known, or quite generally believed, that thousand, and perhaps millions, of dollars escape state taxation because the Tax Assessor can't find them. Yet some little sandy land farm and a team of one-eyed mules which cannot be hidden must be listed and taxes paid on them.

And here's something else. Perhaps the next unjust tax will be a sales tax in everything you eat and wear. Which means another tax on the common folks. I say it is unfair and unequal because the dyspeptic old millionaire crunching a cracker and a glass of milk will pay a sales tax on his diet of perhaps a dime a year, while the robust laboring man with a healthy stomach and a big appetite will pay 100 times that amount.

Taxation Inequalities.

Friends, our taxation system is so hay wire that it is going to be a hard fight to straighten it out. And it can only be straightened out by businessmen and not by a bunch of good-looking political lawyers who are so smart and such clever talkers that they can make us common folks think the bugs in our soup are only blackberries. Write me about the inequalities in taxation you know about, so that we can get a good plank on taxation in our platform.

Another expense that is eating up the tax money instead of spending same for necessary purposes is the ever increasing number of state commissions and departments, inspectors and state employees. Each year brings more and more employees on the state pay roll. The only time any are dismissed is when a new political boss is elected and fires all the old employees and hires two new relatives or friends to take the place of each one he fired.

Everyone of those state employees has a poll tax. I am not figuring on them voting for me because their votes have perhaps already been pledged to someone inside the political ring. So I am just itching to clean house down there like most business concerns have been forced

to clean house. The good employees who are serving a useful and necessary purpose may get to stay, providing they are willing to do a full day's work at a fair salary. And if they are not willing to do that, there are plenty of folks who will gladly take their places. And even if we should hang some For Rent signs on half of those state offices I am inclined to believe the sun would still shine.

May call on Housewives.

In this house cleaning emergency we may have to depend upon the housewives to find the bugs in the flour instead of some highly paid state inspector trying to head the bugs off at each cross-roads grocery store in Texas. The housewives performed this service very effectively until the army of state bug inspectors came along, and they always got their money back for flour that was contaminated, as any flour will become contaminated after a certain length of time in hot weather. I know that item of expense can be eliminated, and I believe there are thousands of state employees performing just as silly and unnecessary duties.

I intended to discuss old age pensions today, but will save that topic until next Sunday, because next Sunday is a very appropriate day for discussion of that plank in our platform—Mother's Day.

But I am telling you now that I am for the old age pensions to the limit of our ability.

Next Week—Less Johnson Grass.

Our Church Welcomes You Always.

Think It Over!

When Jesus stood before Pilate, the Roman governor, charged with having tried to make Himself a king. He answered: "My kingdom is not of this world." Never did Jesus seek an earthly crown and throne. He has brought the kingdom of heaven unto men, and seeks to bring all men into it, desires to bring its blessings to all; its blessings of eternal salvation are intended for all the world, even as He gave His life on the cross for the world's sin, and arose on the third day and is a mighty Savior from death and gives everlasting life to all who will come to Him in Faith. Christ's Life, Death and Resurrection have brought us eternal life and all who believe on Him.

Yet, many mistakenly see in Him an earthly sovereign, and would give Him an earthly throne and crown, even as in His days in the flesh. But as He then refused to be an earthly king, even so He now will not accept such honors; and it is a mistaken notion that His kingdom is built by such means. The eternal truth of His Words alone builds His heavenly kingdom amongst men. Jesus Himself said to His followers: "Preach the Gospel." To Pilate He said: "For this cause came I into the world, that I should bear witness unto truth. Everyone that is of the truth heareth My voice." To His followers He said: "Ye shall know the truth, and the truth shall make you free." His saving truth builds His heavenly kingdom; saving men from sin and eternal damnation and giving them forgiveness through His Cross and eternal life through His resurrection. The Living Savior

gives them Life everlasting. ARE YOU BY FAITH IN HIS KINGDOM?

To Query Women All Over South

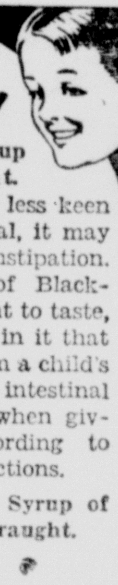

Touring Reporters have now asked over 1,200 women and girls of leading Southern Cities the now famous question: "Were you helped by CARDUI?"

Averaging all replies so far shows that 93 out of every 100 users questioned declared CARDUI benefited them!

Users by thousands are eager to tell how CARDUI has given them appetite; helped them gain strength; has thus relieved them of the symptoms of functional dysmenorrhea due to malnutrition. Many also say that, when symptoms indicate the need, CARDUI in larger doses helps "at the time" to soothe pain.

Cascades Park Is Added

To Nation's Playgrounds

SEATTLE, WASH.—To the nation's sylvan playgrounds will be added 4,272 acres of primitive timberland in the snowclad Cascades, near Snoqualmie pass, as a result of acquisition of the area by the United States government.

Creation of the park, with its giant trees and singing icy mountain streams, will be a monument to the ceaseless work of J. C. Kuhns, assistant regional forester, United States forest service.

Kuhns was captivated by the enchanting region while supervisor of the Snoqualmie National forest and when destruction of virgin Douglas firs and cedars, hemlock, spruce and yew was threatened four years ago he headed a movement to save the timber.

Aided by Asahel Curtis, noted for his work in saving the state's trees and scenic beauty spots, and by numerous civic and conservation groups, Kuhns quietly negotiated for deeds to the land from private owners, the government giving property of equal value elsewhere in exchange.

Crew Cast Into Ocean

PORTON—Four sailors were cast overboard by the crew of the schooner Elsie M. Morrison in 1934 were picked up on the shores of Norway nearly two years later.

A bottle recovered at Hjelmsøy traveled 4,100 miles, one found at Flatanger, 3,500 miles, one at Vest Vægo, Lofoten Islands, 3,700 miles and the fourth at Soro island, 4,100 miles.

Head-Hunters Hate White Men

The head-hunting Marindanim tribesmen of Dutch New Guinea, natives of the island lying north of Australia, practice head-hunting as they have for hundreds of years. The Marindanim, inhabiting the Digol river district, are the most savage and successful of the head-hunting tribes on the island. They regard all other tribes as implacable enemies and raid them continually for their ghastly human trophies. So intense is their hatred of the white man that few whites ever venture near them. The Dutch government makes persistent but fruitless efforts to stamp out the habit of head-hunting.

Must Protect With Dikes

The Netherlands, about 40 per cent of whose land is below the level of the sea, is the only country that, for centuries, has been forced to protect itself with dikes from inundation. Since Roman days, says Collier's Weekly, the total length of the construction and reconstruction of these sea walls has approximated 200,000 miles.

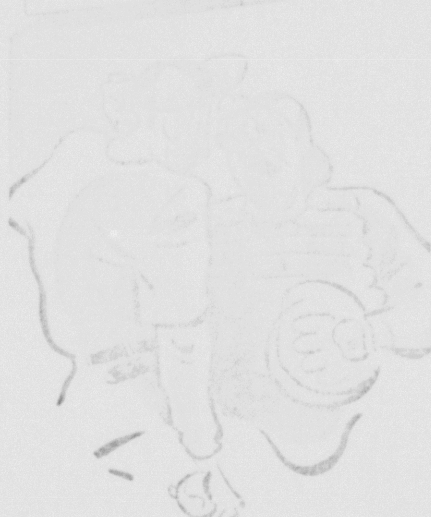

First Great American Painters

The first group of American painters consisted of Copley (1737-1815), West (1730-1820), Trumbull (1757-1843), and Stuart (1755-1828). All were at first self-taught and later studied in England. West became one of the founders of the Royal academy and subsequently its second president.

Llama Willingly Carries Loads

The camel-like llama, chief beast of burden of South American countries, is believed to be the only work animal in the world that willingly carries heavy loads on its back, says Collier's Weekly, yet absolutely refused to move if hitched to any kind of vehicle.

LARGE ATTENDANCE COOKING SCHOOL

An average of approximately one hundred housewives of Cameron and surrounding communities attended each day of the two day cooking school held in the home economics department of Yoe High School and sponsored by the Cameron Herald, on Monday and Tuesday.

Miss Esther, L. Branch, nationally known cooking authority, conducted the school. Miss Branch, who is a representative of the Spry Research Kitchen, gave in an attractive lecture many novel food ideas, helpful demonstrations on the actual preparation of food, time saving tips and many other educational helps on cooking, which is a subject of vital importance to the American housewife.

Last October the Herald sponsored a motion picture cooking school which ran over a period of three days and was enthusiastically attended by the women of this section.

Miss Branch presented a different program each day. The women were given folders which contained the recipes prepared by the cooking authority while they sat and looked on. The completed dishes were awarded along with other valuable articles as prizes at the conclusion of the program.

Those fortunate enough to receive prizes on Monday were Mrs. John L. Hrozek, Cameron, Rt. 1; Bertha Marak, Cameron, Rt. 1; Maggie Lue Aycock; Lela Fuchs, Buckholts; Mrs. H. W. Sanders, Miss Louise Redd-hase, Burlington, Rt. 1; Mrs. W. E.

Koch, Cameron; Clara Anderle, Cameron, Rt. 1; Annie Fischer, Buckholts; Mrs. Henry Johns, Cameron; Mrs. Annie Weems, Cameron; Mrs. Fred Dier, Cameron; Mrs. Floyd Hargrove, Fannie Mae Powell, Buckholts, Rt. 1; and Mrs. Faye Allen, Cameron, Rt. 1; each of whom received a grocery bag containing useful household articles.

Those to receive the foods prepared by Miss Branch were Mrs. H. N. Tate, Cameron; Mrs. J. B. Nisbett, Cameron; Mrs. A. M. Urban, Cameron, Rt. 1; Mrs. Frank Marak, Cameron, Rt. 1; Mrs. L. H. A. Fuchs, Buckholts; Elma Rettig, Mrs. Willie Stall, Burlington; Mrs. T. L. Little, Ben Arnold.

Those to receive the household utilities on Tuesday were Mrs. E. C. Fischer, Route 2, Buckholts; Asalee Fischer, Rt. 2, Buckholts; Mary Wittschek, Cameron Rt. 1; Mrs. Ida Jenness, Cameron; Mrs. Webb Todd, Rt. 2, Cameron; Mrs. A. M. Urban, Cameron; Mrs. Buck Price, Cameron; Mrs. H. N. Tate, Cameron; Mrs. Geo. Richards, Cameron; Mrs. Rudolph Marak, Cameron; Mrs. John Jistel, Cameron; Mrs. Sperlin Collins, Burlington; Mrs. J. B. Nisbett, Rt. 1, Cameron; Mrs. John L. Hrozek, Cameron, Rt. 1; and Mrs. Adolph Hertenberger, Rt. 1, Cameron.

On Tuesday Maggie Lue Aycock, Cameron, received the chocolate pudding made by Miss Branch; Clara Anderle, Cameron, rhubarb pie; Mrs. Earl Thompson, Cameron, peanut muffins; Mrs. H. F. Smith, Jr., Cameron, hamburger patties and sauce; Miss Meta Lorenz, Cameron, pastry mix, and Mrs. Bess McClellan, Minerva, veal birds and baked potatoes.

Mrs. R. H. Clark, Cameron, received the grand prize, an attractive stainless steel frying pan with thermometer, frying basket, and other special features especially designed to make the art of frying foods an enjoyable one.

The Coca Cola Bottling Company served Coca Cola as a grand climax to each day's program and the Herald is grateful to them for their co-operation in helping to make the cooking school a success. The Herald also appreciates the use of the home economics department of the Yoe High School which the officials so cordially extended and which was an ideal location for the program.

The Community Natural Gas Garland Gas Ranges for the school. Company furnished one of their new

Grand Jury Returns 13 Indictments

Olehue Taplin, negro, recently arrested and placed in jail here in connection with the robbery of Robert's 5c to \$1 Store, was indicted by a grand jury here last week and charged with felony theft, burglary and attempted arson.

Carl Tawater, arrested here a few weeks ago for theft of a cow and calf from Jake Aranson of Waco was indicted for felony theft and conversion by baillee.

Other indictments returned by the grand jury for the March term of district court are as follows: Fred D. Greenhill, charged with assault with intent to murder, 2 cases; Ed Lindsey, charged with receiving and concealing stolen property; Bruce Lindsey, charged with receiving and concealing stolen property; Ralph Fikes, charged with altering an instrument in writing, and Jack Gilbert, charged with perjury.

Arthur Fletcher, charged with ag-

gravated assault, was ruled to be a misdemeanor case and turned over to the county court.

Coca Cola Plays Part in Success Of Cooking School

No modern kitchen may be termed such unless it has a regular supply of Coca Cola and women who attended the cooking school her on Monday and Tuesday demonstrated that they felt the same way about it.

On each of the two days those who attended were served a bottle of Coca Cola through the courtesy of the Coca Cola Bottling Company of Cameron. The Coca Cola was placed in a modern cooler conveniently located to the demonstration and the women enjoyed the pause that refreshes several times during the proceedings. The Herald is deeply obligated to Fred G. Blake of the Coca Cola Bottling Company for his thoughtful contribution to the success of the cooking school. The Coca Cola Company is now making a canvass of Cameron homes giving free Coca Cola where Coca Cola is found in the refrigerators. The Company is meeting with success and its gesture of co-operation with the cooking school is deeply appreciated by those who attended and the newspaper responsible for the school.

PYTHIAN LEADER DIES IN MCGREGOR

Funeral services for H. E. Hackney, 75 year old resident of McGregor, and for many years an outstanding member of the Knights of Pythias Lodge, were held from the residence on Sunday afternoon. Mr. Hackney died on Saturday, March 11.

At the time of his death, Mr. Hackney was a senior member of the board of directors of the Pythian home in Weatherford. He had joined the order in 1893 and had been a member since that time. He had served in official capacity in the grand lodge for the past 41 years and as dean of the Pythian home was instrumental in erecting a number of new buildings.

Mr. Hackney had been a guest of the local lodge on many occasions and had many friends in this section. A number of Cameron Knights attended the funeral on Sunday afternoon.

Live Stock Men Get 200 Members

The Central Texas Livestock Association met in Hearne on Monday night for a general discussion as to what procedure they would take regarding the actual work of the organization.

Homer Nabours, secretary of the association, said the membership had reached approximately 200 and they were having no difficulty in securing new members. The association has at its service a Texas Ranger, employed by the State of Texas, who is compiling a record of all the brands and identifications of cattle owners who are members of this organization.

Mr. Nabours said the association would not appoint a special ranger until they had secured enough membership to pay the estimated expense for one year. They hope to have two rangers, one employed by them and the other on the state, to work in this territory regularly.

NOTICE OF ELECTION

The School Board at its regular meeting on March 9, 1939, ordered an election for two trustees on Saturday, April 1, 1939, in the State Bank Building. Names for filing on the ballot will be received by E. A. Perrin, secretary of the Board, prior to and including March 27, 1939.

Grumpy? Not now!

... thanks to Black-Draught. Often that drooping tired feeling is caused by constipation, an everyday habit of mind. Don't put up with it. Try the fine old vegetable medicine that simply makes the lazy colon go back to work and brings prompt relief. Just ask for **BLACK-DRAUGHT**.. "An old friend of the family."

NOTICE!

This is to remind all you farmer friends that I will be in the pea market again this year at Milano and want all the pure Blackeye Peas you can raise, to be marketed through July and August. I will buy several hundred bushels each of Brown Crowders, White Cream and both the large and small Clays. All of these peas must be pure so be sure your planting seed are pure. If you don't have the seed, see me at Milano.

The prospects look good for a higher price than we have ever had as the California stock this year on Jan. 1st was 310,000 bags compared with 500,000 bags last year. Shipments have been heavy. They shipped 79,000 bags through January, so if shipments continue anything like normal, these figures indicate by the time our this year's crop comes on the market, stocks will be very low if not entirely depleted and should indicate a strong market with good prices. Therefore I actually believe this is the year to plant several acres of Blackeye Peas for the market.

Remember be sure your seed are pure and plant before the 1st of May. I advise around the 20th of April and if possible send me your acreage planted, as this will help me to be prepared to take care of your crop. This is very important as it will give us an idea as to what acreage will be planted and a possible estimation of production. Send me your number of acres planted on a postal card not later than May 5th.

Why not plant a reasonable acreage of Blackeye Peas and have some cash coming in through July and August when work and cash are scarce with us.

Awaiting your report and thanking you in advance, I remain yours for a good pea crop.

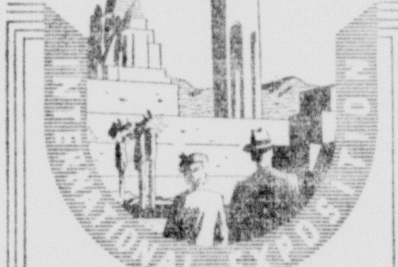

Respectfully,

HUDSON (DOC) WOODS,

Your Blackeye Pea Buyer, Milano, Texas.

NEWS FROM BEN ARNOLD

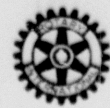

Coach Burton and his girls' basketball team has been certified to represent this District at the State tournament on March 16, 17 and 18. It is to be held at the Baylor gymnasium in Waco. Trophies will be awarded the all tournament team, second and third place winners of the tournament, consolation champion and the second place winner in the consolation. Beautiful individual awards will be given also.

The PTA will have its regular meeting Wednesday afternoon at 4 p. m. The attendance drive is on and all mothers are urged to come. A special invitation is given to the fathers to attend and become members.

"A good chicken house with good ventilation is best for chickens," said Miss Kathryn Wilson, Home Demonstration agent, on our last meeting, March 9, in the Ben Arnold school auditorium.

Without good ventilation the chickens will all die and they will peck each others toes. All members were present but two. We hope they will be with us next time. Wanda Terry, reporter.

Brother Dwight Custis will preach at the Baptist church Sunday morning and Sunday evening, March 19.

With
The

CAMERON ROTARIANS

The "On to Houston" Conference committee, is still hopeful awaiting to hear from some good faithful Rotarian, to make the three day conference in Houston, April 16th, 17th and 18th along with the Committee. Get better acquainted with Rotary, every member of the Cameron Rotary Club, should at some time now or in the future make one of these conferences, and it's not too early to think about sending at least one delegate to the National Convention in Cleveland, Ohio, in June.

When Charles M. Dyer, some weeks ago informed us that he would be here on the 10th, of this month, which was at our regular luncheon last Friday, he stated that he was making his visit in the interest of the smaller clubs, and believe you me, he certainly has inspired this small club of Cameron, as he spoke of the advantages and disadvantages of smaller Clubs. In his address he briefly talked about the by-laws, board of Directors, fellowship, club service, vocational service and international service. In fact his explanation

tions and experiences in Rotary were brought out so understandingly, that I am sure I speak the sentiments of the entire membership, when I say we have gotten more out of Rotary through him than anything I know of.

It was indeed an inspiration to the officers to see such a good attendance at the meeting Friday; only two Rotarians absent, Dr. E. R. Zellner and Donald Weir, sorry you did not hear the wonderful address of Charles M. Dyer, but we know you had a legitimate excuse or you would have been present.

AGE

Age is a quality of mind:
If you've left your
Dreams behind,
If hope is cold,
If you no longer look ahead,
If your ambition fires
Are dead,
Then you are old.

We regret very much to know our Vice President, J. B. White is confined to his bed since Sunday. J. B. we all miss you, and wish for you and yours a speedy recovery.

The Hearne Rotary Club will hold their Annual Ladies Night Banquet, Thursday night, March 16th, at the Hearne Methodist church at 7:30 p. m. It is the wishes of the Hearne Rotary Club that as many members of the Cameron Rotary Club as possible be present. They also request

you to bring the Rotary Anns. If you remember at the last luncheon, when Charles M. Dyer, Representative of R. I. urged the members to meet with other clubs as much as possible, well now is a good chance to visit with our neighboring Club.

"I have found an ideal which commands my highest love and loyalty; I have found a work which commands by best endeavor and joyous enthusiasm; I have found a friend to whom I never need to make an explanation; I have found a faith which no personal disappointment can shake; I have mastered the myriad of forces that surge up within my breast; I have won the victory over each day until I have some time for meditation and soul growth; I have someone dependent upon me for sweetest joys—I HAVE FOUND LIFE."

Planting Furrows . . .

Each year at this time there is renewal of planting furrows which means that our people are happy in the engagement of farming. For centuries the American people have been farmers and business men. We hope nothing ever occurs to stop that program.

This bank's friendly interest in those who plant and produce from the soil has been one of its underlying business principles through all the years it has operated. We invite the farmers and the business men to take advantage of the facilities of this fine bank and know the advantages such a connection means to the success of their business.

This bank is a friendly bank, whether the transaction is large or small and by this policy we have made many friends through the years.

Highway Bill Gets Vote of Senate and House Committees

County Judge Jeff T. Kemp and County Commissioners, B. M. McMillion, R. G. Stidham, E. L. McGuyer and E. G. Stiles, returned from Austin Wednesday where they attend a meeting of the Senate Committee considering the county judges bill, which will broaden the scope of the present law which allocates one cent of the gasoline tax for the payment of bond issues used in the construction of highways. Under the proposed law, this will include all bond issues for road purposes, lateral roads as well as highways. Many petitions have been signed by taxpayers of Milam county favoring this law and the Commissioners say its passage will be a boon for the burdened taxpayers of Milam county as the amount that would be saved

the taxpayers by this low for Milam County would be \$427,861.

The Senate Committee vote stood 11 to 4 for the bill and the House Committee 17 to 1.

In view of the ruling from Washington received Wednesday, that the enactment of this law would cause no curtailment of federal aid, its prospect of passage is good.

QUADRUPLETS

FOR Every FAMILY

QUADRUPLETS for every family... two boys and two girls in perfect condition... always ready and willing for work. One of the many nice things about these "quads" is that the more work they do the lower their hourly wage. Another thing... they never give you a moment's worry... always at home... never tired or fretful... never keep you up at night.

They are members of *The Electric Penny Family*... quadruplets of service... emphasizing the fact that TP&L electric service in the home is an all-inclusive service for lighting, cooking, laundry and cleaning, refrigerating and cooling... and scores of other household tasks, as well as entertainment. For all these services TP&L rates are lower than ever before... lower by comparison than any service or commodity used in the modern home. TP&L gives you *The Electric Penny Family*... Quadruplets of Service for Every Family!

GLOWY PENNY
Glowy Penny has charge of lighting and "light conditioning" throughout the home. He also operates the radio. Thus, he carries the title—"Prince of Light and Melody!"

HOTSY PENNY
Hotsy Penny takes over the cooking and heating appliances. She saves time... work... money... and provides better health. She is a "hot number" in the kitchen as all who know her will agree.

TIDY PENNY
Tidy Penny cleans cups and draperies; washes clothes and dishes; sews; mixes foods. Tidy is a real "dredger" all day long.

COOLSY PENNY
Coolsy Penny kicks up cool breezes with fans and attic ventilating systems. He operates electric refrigerators and room coolers. He pays his way with savings and is a great summer-time pal.

Commerce Directors are Named Here

The annual banquet of the Cameron Chamber of Commerce was held Tuesday evening, March 14, at the gymnasium at Yoe High School with approximately 300 in attendance, many visitors, business men and civic leaders coming from over the State.

Toastmaster Emory B. Camp, gave a short talk on the achievements of the Chamber of Commerce for the past year, and presented out of town visitors, and introduced the speaker of the evening, former Governor, Pat M. Neff of Waco, now president of Baylor University. Mr. Neff is one of the outstanding speakers of the south, and held his audience in close attention, speaking on Character and Citizenship building, covering many of the problems of the people and especially for the youth of today. Mr. Neff closed his splendid talk by paying a high tribute to his life long friend, the late Hon. T. S. Henderson citizen of Cameron.

The Cameron Swing Band of Yoe High School, directed by Frances Cox, furnished music for the evening, this being the first local appearance for the band.

The tables were attractively decorated with growing plants, donated by Glass the Florist. The Home Economics Department served the menu, a delicious turkey plate, with hot coffee.

The following newly elected officers for the ensuing year were announced: President, F. E. Woodruff; 1st Vice President, R. G. Grabein; 2nd Vice President, John Jeter; Treasurer, John W. Haygood, re-elected.

Directors—George Banzhaf, F. J. Beckerman, F. G. Blake, C. A. Brady, Ray Burke, Emory B. Camp, N. L. Caperton, Albert Collins, E. C. Cole, Alvin Dusek, L. F. Teams represented were Sharp, Davilla, Val Verde, Bryant Station, Jones Prairie and Marak.

MILANO 4H CLUB
"A chicken house should have a slanting roof," said Miss Kathryn Wilson, assistant Home Demonstration Agent, to the Milano 4H Club when the club met March 13, in the Homemaking department of Milano High School.

If the roof of a chicken house is slanting the rain will drain off easily and it will not get as hot as a flat roof. The roof should be covered with corrugated iron and the house should be facing the south with plenty of ventilation on all sides.

The president, Billie Hensley, presided. Two new pep leaders were elected, Ida Smith and Mary Jo Hensley. The Hoyte club joined ours and will try to meet with us at least once a month. Those present were Lela Mae Neeley, Mary Jo Hensley, Charlotte O'Neal, Nola B. Mills, Dorothy Hill, Vivian Westbrook, Tessie Robinson, Ida Smith, Katherine Batey, Bessie Hause, Marie Partee and Mrs. L. E. Love, sponsor. Vivian Westbrook, reporter.

Easy to Buy • Easy Terms • Generous Trade-in Allowance

To be without an instant supply of hot water is like

Keeping House Without Tools

The modern household, operating as it must on a time schedule, is subject to delay and extra work where there is no automatic system of hot water. Waiting for water to heat causes children to be late to school... daddy late to work... and extra work and worry for mother. If your home has outgrown its present hot water service or if it is outmoded and crippled with old age there's no better time than now to modernize. Automatic Hot Water is more than a convenience. It is one of modern housekeeping's important tools in speeding work along, making it easier.

SPECIAL REDUCED MONTHLY TERMS

A generous trade-in allowance and the reduced monthly terms now in effect make an automatic gas water heater about the easiest home convenience to own. With one of these modern water heaters the family is assured of hot water the moment it is needed be it for a quick morning shave or a big spring cleaning job.
